

Application Instructions for the 2022 CFAES Family Scholarships Columbus Campus – Wooster Campus – Statewide Campus

Applications Due: February 15, 2022

What are the CFAES Family Scholarship Awards

There are three CFAES Family Scholarships, one for each of our campuses: Columbus, Wooster and Statewide. The original scholarship was established for Wooster campus faculty and staff through a donation from James and Yvonne Brown. This award provides educational assistance to eligible spouses or dependent children of employees located on the Wooster Campus. Inspired by the CFAES Wooster Campus Family Scholarship, two additional CFAES family scholarships (Columbus Campus and Statewide Campus) were created from monies donated by employees and others through the OSU Campus Campaign. These awards also provide educational assistance to eligible spouses or dependent children of CFAES employees, whose work is based at Columbus or any of our statewide locations.

For all three scholarships, annual awards are a maximum of \$1,000 per award (\$500 maximum for part-time students). Award money should be used for tuition, books, or other related educational expenses. With the expansion of these scholarships, the hope is to have them grow so that more individual awards may be given each year.
